Business Ed. Grows, Accommodates People

Expansion of the Business Education Department gave students a better opportunity to experience the business world. Speakers and field trips helped to bring to the students a first hand look at business principles.

Chuck Hill, a new business Education staff member, introduced many of the Department's speakers to his Business Principles and Management class. These speakers, mostly local financiers, brought a sense of reality to the isolated classroom situation.

Economics and Business Law, taught by Mr. Charest Thibaut, Jr., provided students with the basic principles in economics and knowledge of the laws commonly applied in business practices.

Mr. Mel Didier's Bookkeeping classes received a thorough introduction to bookkeeping and simple accounting practices. Much emphasis was placed on the projects and practice sets which were worked on by the students.

RIGHT: Steve Loupe prepares himself for one of the frequent timed tests in his typing class.

LEFT: David Whatley takes care in correctly ruling his cash journal in one of the practice sets.

BOTTOM RIGHT: Presenting his demonstrative speech on how to make a very dry martini, Tico Hoffman measures out a jigger of gin as Jimmy Domma looks on intently.

Interest Generated by English Electives

Because of such timely courses as Man and Nature, and Science Fiction and the Supernatural, the English Dept., chaired by Bro. Xavier Werneth, created a new atmosphere of interest among English students. Utilizing the previous year's elective program, the courses did not compromise in any way with the traditional basic skills normally taught. "Only the focus and reading material were more relevant," explained Bro. Xavier.

In response to the needs of college-bound students, the department added new courses in Composition and Advanced Composition as well as a Public Speaking course, aimed for students unable to take the regular Speech courses. Last year's Speech course expanded to three separate classes due to great student interest and participation.

Improved Techniques Aid Language Study

The CHS Foreign Language Department again made extensive use of the AL-M program in order to help students learn foreign languages more efficiently and effectively. The Department also stressed the importance of a strong base in grammar of the language rather than merely pronunciation. Students were introduced to the culture behind the Spanish and French languages.

Catholic High was well represented in the state and district literary rallies. CHS French students also participated in the District Festival at Hammond.

Bro. John Battalio was named as the new head of the department and was backed up by Bro. Gunther and Sr. Dorothy.

Math Dept. Revises Frosh Class Format

In an experiment with a non-graded system of education, the Math department, with new head Mrs. Gerry Vidrine, set up two combined-group courses in Algebra I and General Math. In Algebra I, two groups of three classes were taught while in General Math, one group of two classes were taught.

Students in the Algebra I and General Math class were allowed to progress at their own rate under a program of objective activities and tests. A math "resource center" was created consisting of filmstrips and supplementary textbooks, materials and aids. Students participated in both individual and comparative group work.

Business Math and Advanced Math classes formally taught at St. Joseph's Academy were moved to CHS because of the new schedule. These courses were made available to juniors and seniors.

Two new teachers were brought into the CHS Math Dept. These were Mr. Lou Clouatre and Brother Norman Champagne.

ABOVE: Thomas Turner looks doubtful about the help he is receiving from Kevin Heffron in Trig.

PE Dept. Continues Push in Gymnastics

The Physical Education Dept., under the direction of Coach Pete Boudreaux, continued to purchase equipment to further orient students with gymnastic fundamentals. Students were introduced to the side horse, parallel bars and other tools of the gymnast.

Although coordination on this equipment was stressed, other sports were offered to students. Speedball, volleyball, football, baseball, track and basketball played an integral part of the student's physical education. On wet and rainy days the PE classes met in the gym for a friendly game of wipe-out or crab soccer.

Theology Emphasizes the Christian Attitude

With Bro. Louis Couvillion as new department chairman, the Theology Dept. undertook a program to impart a Christian attitude of life on CHS students. Through involvement in the study of the Church, Jesus and His message, and problems of Christianity, students were able to learn more about Christianity and its relationship with their lives.

Underclassmen focused attention primarily on the human person. They were also involved in the study of the Church and the study of Jesus. Juniors and seniors participated in a theology elective program, with each student choosing the course or courses he desired.

TOP: Seniors Jim Zietz and David Whatley prepare a theology tape presentation on the Zietz's family stereo system.

Science Dept. Seeks Independent Thought

The Science Department continued its policies for flexible, thought oriented experiments in their courses, both on the individual and class levels. In an effort to develop independent thought among their students, science teachers made extensive use of experimentation and group study.

Focusing on individual learning projects and rates were the Physics and Chemistry courses. Students were given objectives, subject matter and problems for each chapter and were allowed to cover the material at their own rate.

Biology enacted still another approach to the learning process. Brother Samuel taught this course as an investigation and inquiry rather than a memory course. Overhead transparencies, 16mm films and slides supplemented this method.

Social Studies Gets New Head

This year CHS welcomed a new social studies head, Brother Herman Boland. Brother Herman, using his many years of experience in teaching, did an excellent job in both leading the department and instructing students.

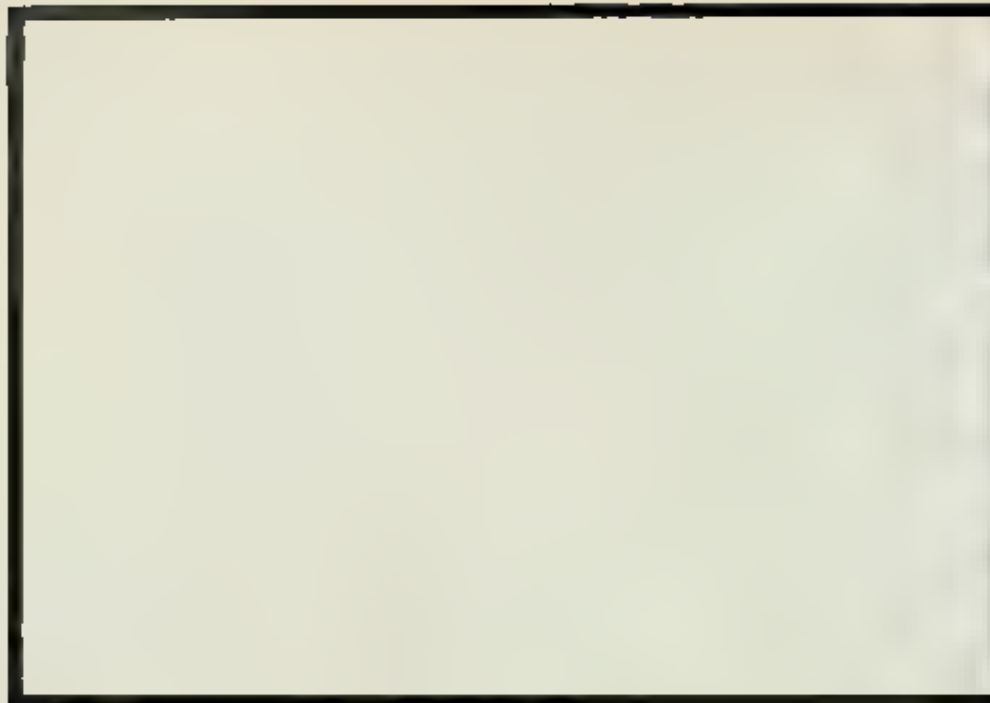

During the school year the social studies department used various approaches to involve students in their courses. These approaches included reports, projects, research activities, movies, guest lectures, discussions and field trips. Both teachers and students felt that these techniques developed not only a greater interest in the course but also will have a lasting effect on their attitudes toward government and citizenship.

Under the leadership of Coach Murphy and Mr. Scimeca, the freshmen learned the fundamentals of local, parish and federal governments in Civics class.

Bear Defense Shines Against Redemptorist

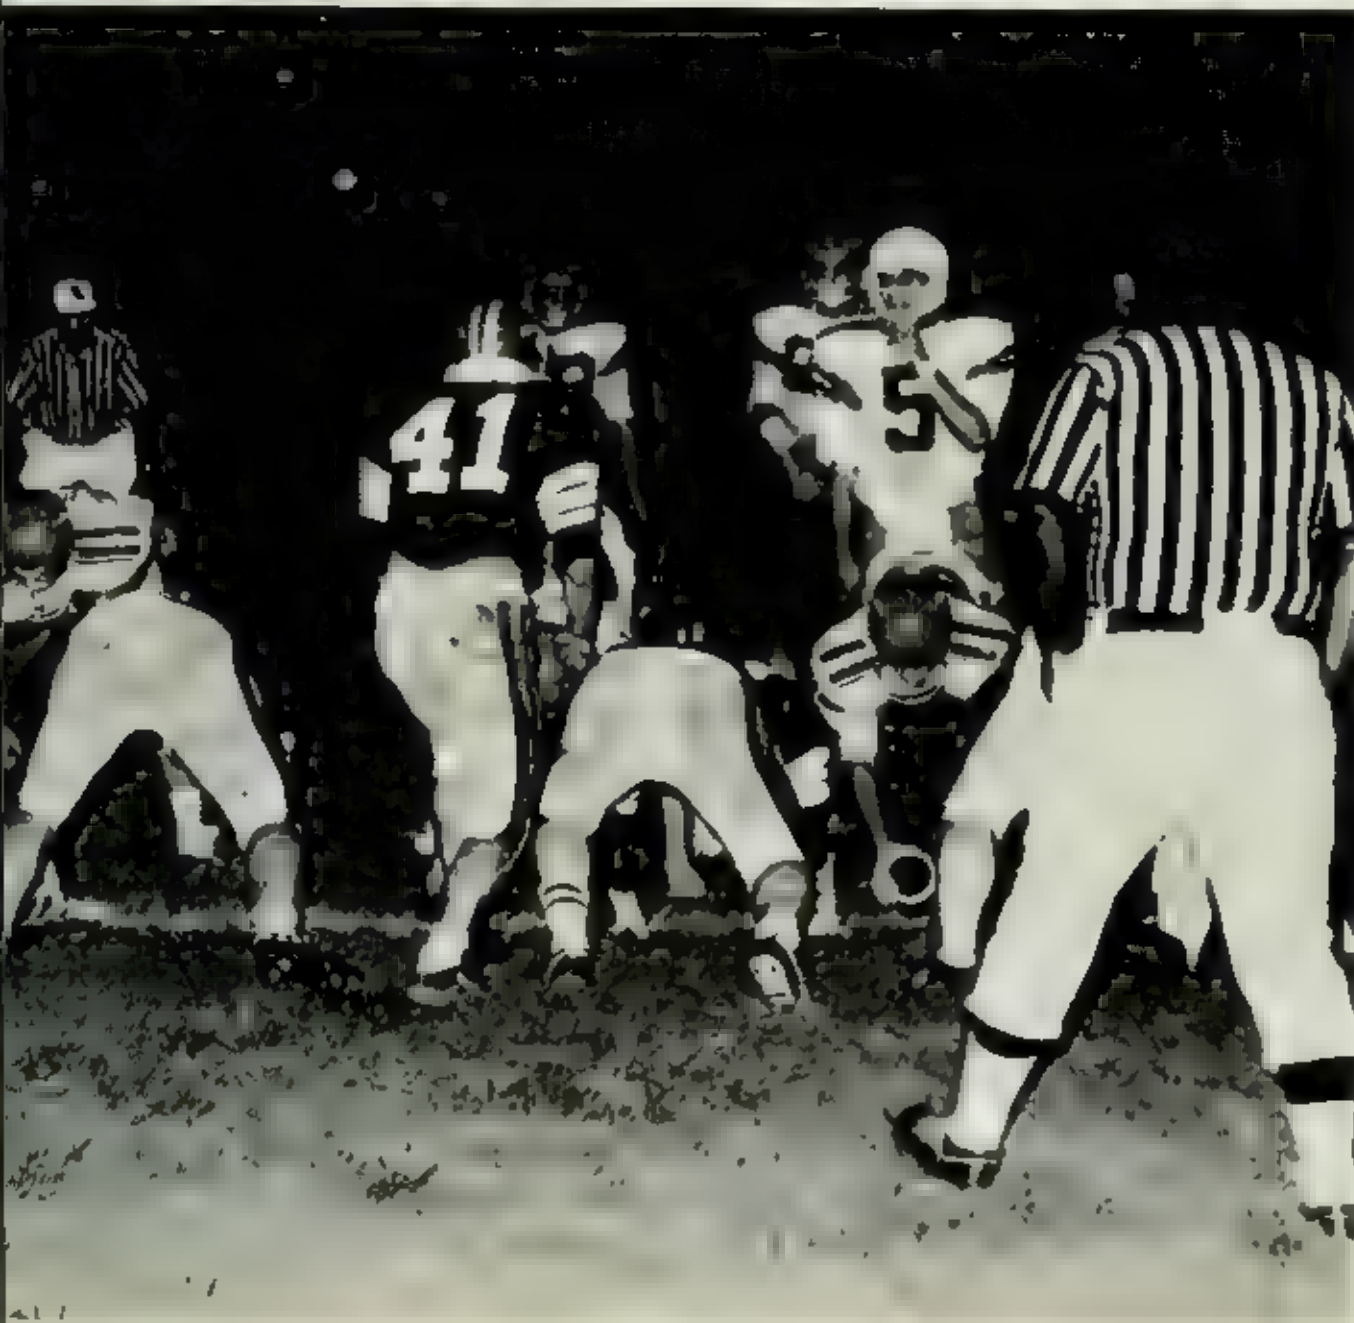

The defense kept Catholic in the game against a fired-up Wolfpack that threatened to take complete control of the match.

Safety Leo Carlino picked off what seemed to be a Wolf touchdown at the CHS nine yard line, and Mike Monk stepped in front of a Pack pass at the CHS 35.

These interceptions hurt the Wolfpack and later in the second half the Bruin defense caused two safeties.

The offense then moved into action. Converting Pack mistakes into Bruin advantages, the Golden Grizzlies consistently moved the ball and finally overcame the Redemptorist Wolves 18-6.

Murphy Named Coach of Year

The 1973-1974 football season has been one of Coach Barrett Murphy's most successful years. He not only reached playoff position with a 10 and 2 record but was deservedly awarded "Coach of the Year" of the 7-AAA district.

Coach Murphy was also honored by the faculty and students at an assembly where he was given a plaque for his outstanding achievements with the CHS Bear team.

Under the guidance of Coach Murphy CHS reached playoff position for the first time since 1937.

Most of last year's team is returning for another season along with a group of outstanding sophomores and Coach Murphy has great expectations. He hopes never to be stopped at the playoffs again.

LEFT: Swinging around end on a keeper, Emmett Vol-lenweider looks for daylight.

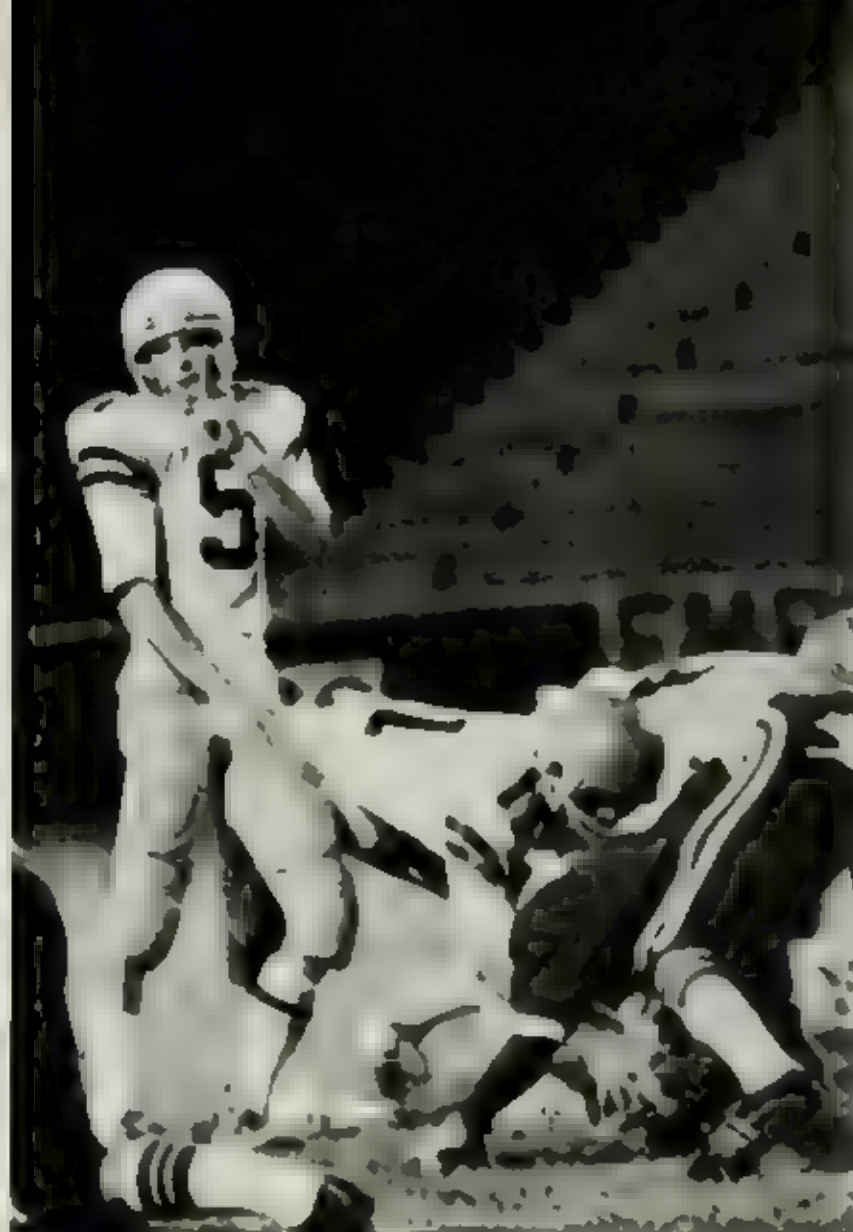

Buddy Hoffmann Is All Around MVP

Buddy Hoffmann was simply outstanding. In addition to being named MVP, the talented tailback was also tabbed Outstanding Offensive Back.

Buddy, the first back in CHS history to gain over 1000 yards in a ten game season, played offense and defense and was chosen Outstanding Offensive Player in District 7-AAA.

He gained 1071 yards and scored 16 touchdowns. More versatile than most, Buddy had a punting average of 40.5 yards. He caught six passes for 165 yards and made 45 individual tackles along with 14 assists. He also broke up 14 passes in this year's season.

Besides being named All-District, Buddy also received All-State and All-American honors.

Roundballers Have Successful Season

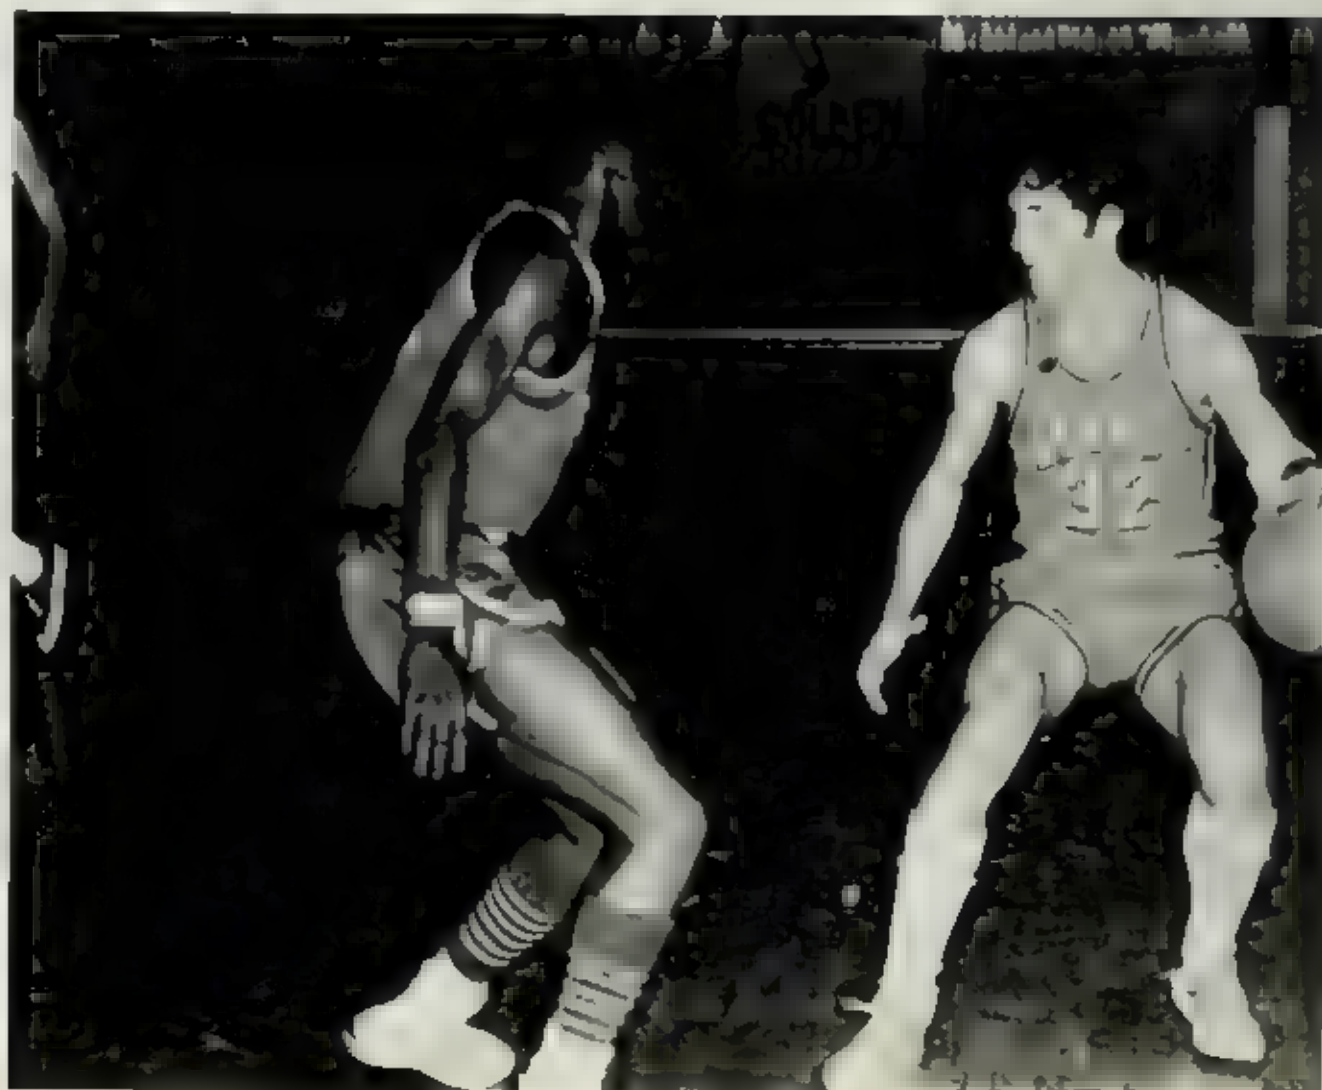

The year 1974 could be termed a "roller coaster" year for the CHS basketball team. Competing in a new classification, the Bears surged to a 24-13 record on the season and an 11-2 district record; leaving them in a 2nd place tie with Central. At Istrouma however, Coach Pasqua's Bruins lost a heartbreaker, shattering the team's hopes for a playoff berth.

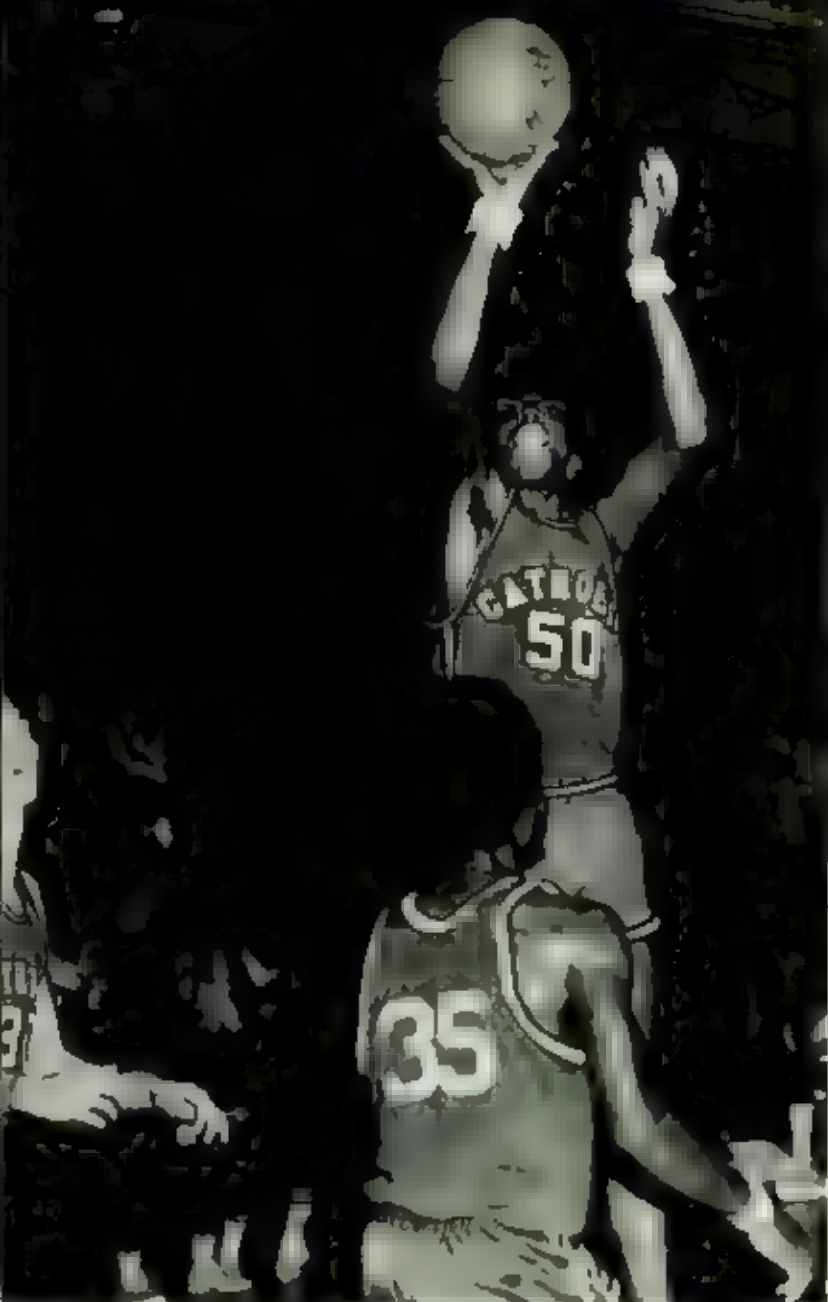

But 1974 proved to be a statistical year for the team. The roundballers had 24 wins: the most ever by a CHS basketball team. The team scored over 2,000 points, also a record. Perhaps the most outstanding record however was the Bears strong finish. The team won their last 8 district games, going undefeated in the second round. Despite the disappointments, the future is indeed bright, for the team loses only one of its starting five.

Future Looks Bright for Bear Baseballers

Led by a host of young players, the CHS baseball team appears to be in good shape for the coming season. With only two graduating seniors, the Bears will still function with the services of All-District and All-State Art Guillory and All-District and MVP Joey Thibodaux plus a string of fine juniors and sophomores.

Unlike other recent seasons where there seemed to be a shortage of hits, Coach Butch Cheairs boys combined for a team batting average of .280. They were led once again by Art Guillory and Joey Thibodaux who batted .429 and .487 respectively. During a mid-season 5 game series, the Bears smothered their opponents by tallying 60 runs and allowing the opponents only 19.

Leadership combined with lots of outstanding talent will help the Grizzlies to the playoffs again next year.

Four Bears Win All-District Title

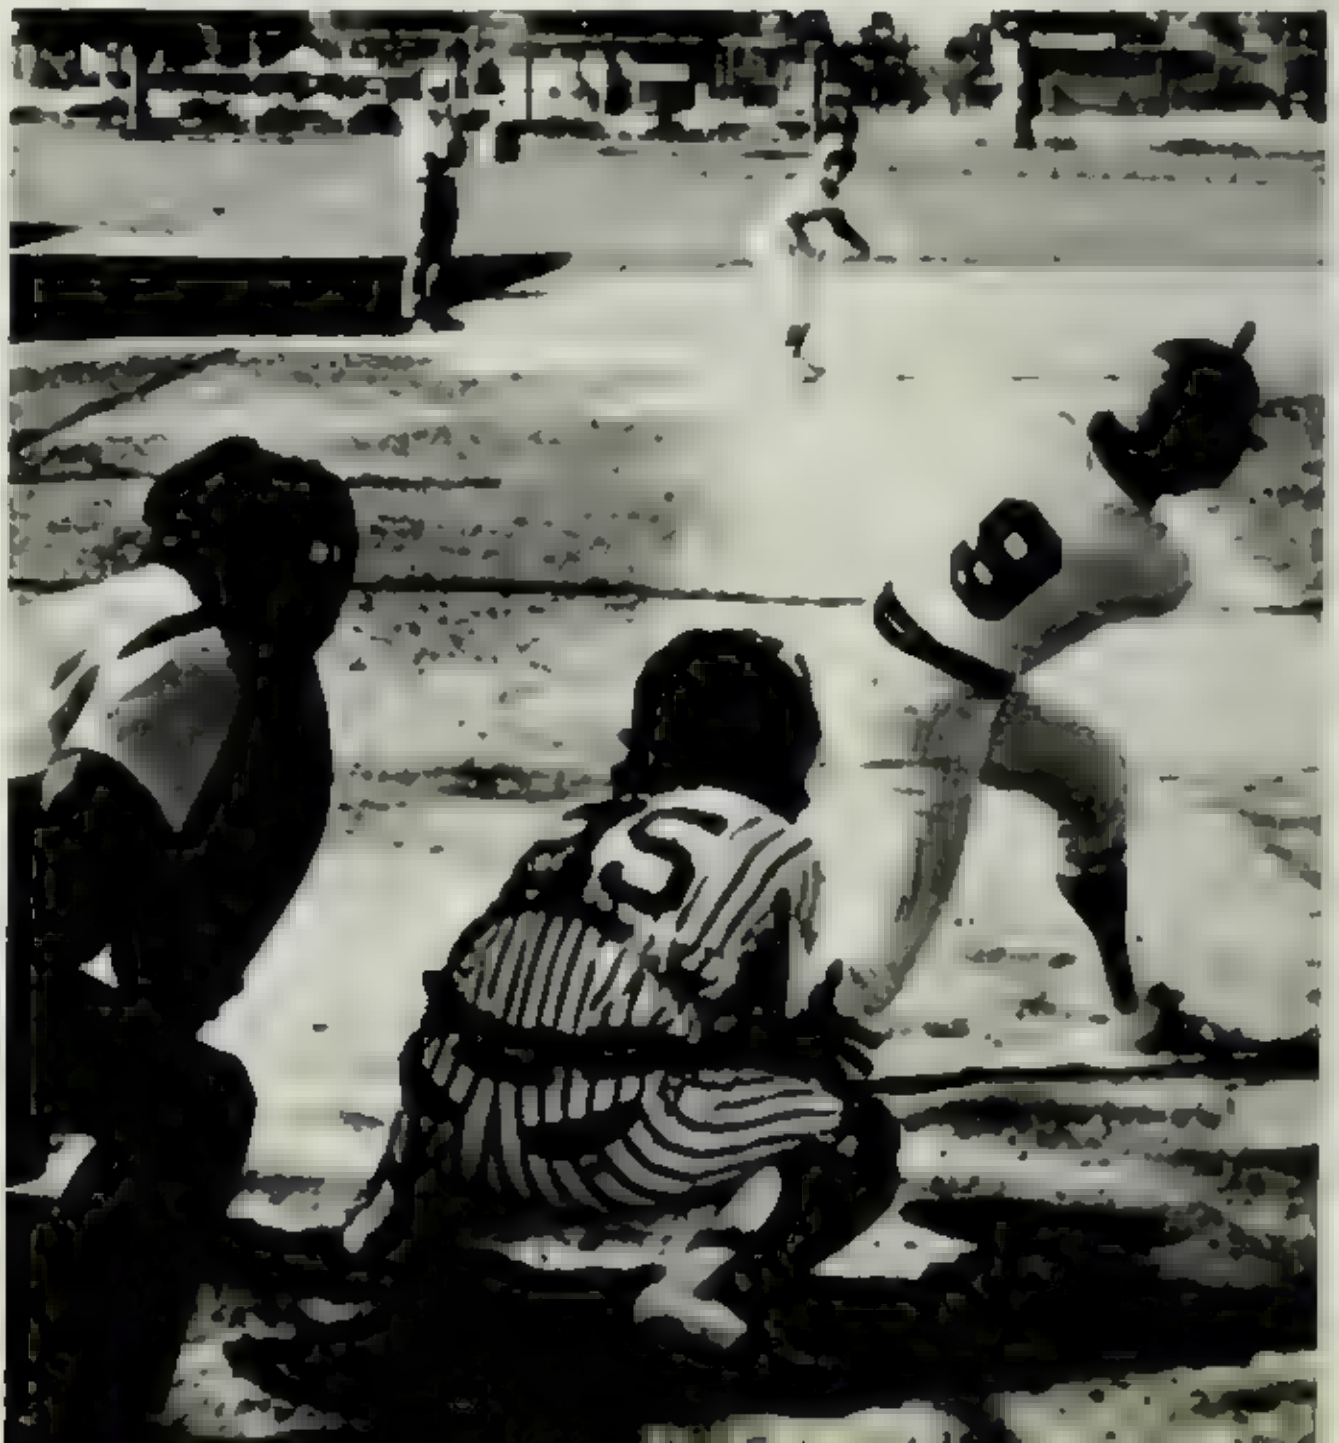

CHS baseballers for 1974 led the district in selections for the 7-AAA team. Two unanimous choices for the team were the Bears' junior 2nd baseman, Art Guillory and senior pitcher, Ric Kearny. They were joined rightfully by two other team members, catcher Joey Thibodeaux and outfielder Emmett Vollenweider.

At the Spring Sports Banquet, Ric Kearny and Joey Thibodeaux were voted the two Most Valuable Players. Art Guillory who was also chosen to represent Catholic High on the All-State team, was the recipient of the Golden Glove award for the least number of errors during the season.

CHS Becomes First-Time District Champs

In a feat never before accomplished by a CHS track team, the 1974 Bears took a first place finish in the 7-AAA District track meet at Zachary. Team spirit help to overcome many of the obstacles on the way to victory. For example, outside lanes and faltering relays threatened CHS' chances for victory. However, utilization of the outside staggers with quick starts cinched the victory for the Bears.

In excellent performances, all three relay teams placed first or second which was necessary to proceed to the regional meet. Both the sprinters and long distance men contributed valuable points to the CHS effort and field events provided a solid reinforcement.

According to Coach Pete Boudreaux, the determination of winning CHS's first district track championship was the spark for the Bears' team spirit and dedication throughout the season. Also, senior leadership played an important part in earning the title of 1974 District Champions.

Bears Bring Home Three State Champs

To culminate one of the finest seasons ever produced by a CHS track team, "Boudreaux's Trucking Co." sent five members to participate in seven events at LSU. These were Davis Rhorer, Mark Mese, Mark Staid, Lionel Currier, and Kevin Davidson.

In a sterling performance, all 5 CHS participants placed. Davis Rhorer turned in a quarter mile good enough to earn him fifth place while Mark Mese's throws were sufficient for a fourth in the shot put and a second in the discus.

Besides getting a fourth place toss in the discus, Mark Staid became the first state champion in track at CHS by heaving the shot 52 feet and 1 inch. Shortly thereafter, CHS gained two more state champs in Lionel Currier with a 9:52.9 time in the 2 mile run and Kevin Davidson's 1:58.1 in the 880. This broke the school record of 1:58.6.

Bruin Grapplers Have Best Season Ever!

The CHS wrestling team had its best season ever this year, placing a fine fourth and having its first state champion.

The Bruins, led by third year Coach Mac Faul, compiled a 20-4 season record. After tough early season losses to such wrestling powers as Holy Cross and Jesuit, the Bears rebounded with wins over Rummel, West Jefferson and South Cameron. As the regular season ended, the team prepped for a shot at the city championship.

CHS Places 2nd in City, Fourth in State Meet

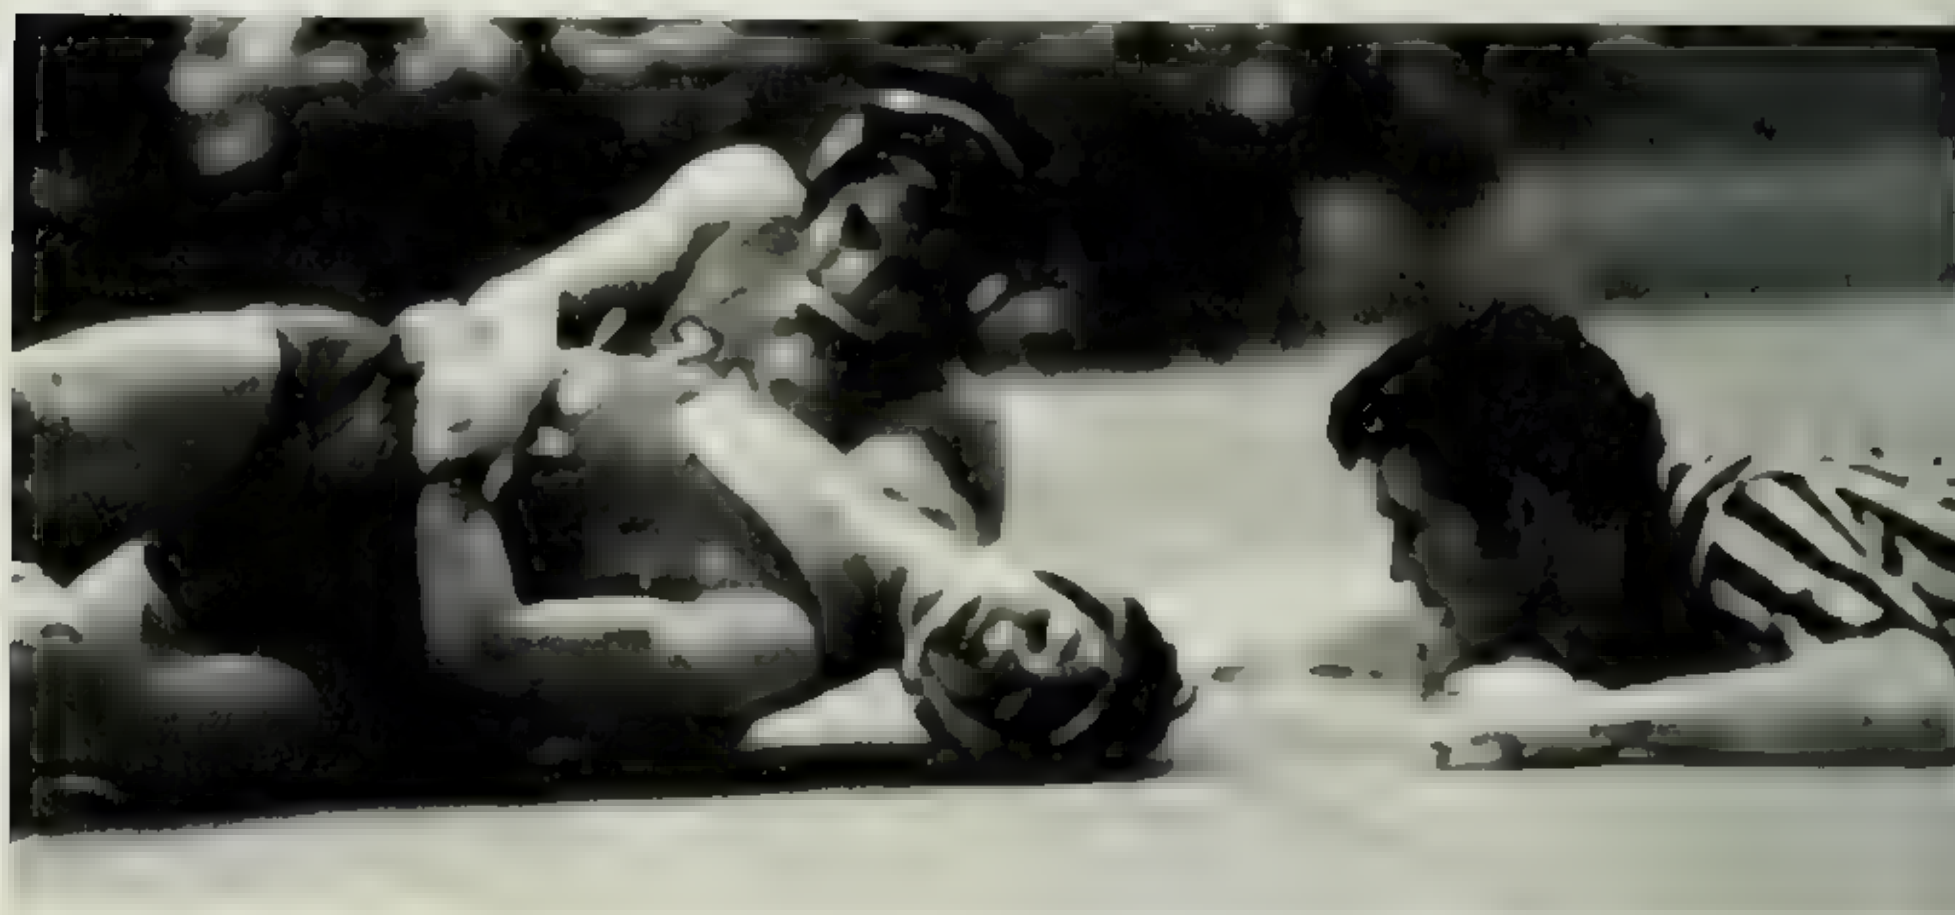

Experienced wrestlers led the 1974 team to its second place finish in the city and fourth place showing in the state.

In the city meet, the Bears were nipped by rival Lee High. In the state, the team was first in AAA, fourth overall behind three Quad-A teams. Randy Johnson was city champ in the 98 lb. class, Senior Danny Frey was first in the city and third in the state in the 119 lb. class, Rich Major was state runner-up in the 126 lb. class, Billy Bourdier was state runner-up in the 105 lb. class, Gerald Barber was city runner-up in the 167 lb. class, and MVP Mike Nissing was city and state champ in the 112 lb. class; undefeated in 33 consecutive matches.

Cross Country Takes Second Place in State!

With potentially the finest team ever assembled at CHS, the 1973 Cross Country Team showed, as in the past, remarkable talent, recording a 19-1 record and acquiring the title of 1973 State Runner-Up.

From last year's state champs descended four Bears to carry on the CHS reign. Although the team relied heavily on its five senior members, its three underclassmen proved to be indispensable during the course of the season.

With weekly wins at LSU, plus wins at Central Lafourche and Opelousas, the team advanced as heavy favorites to the District Meet, which they took handily. Following their district win, the Bears travelled to Hammond for the Southeastern championship. After easily striding to the Southeastern crown, the Bears moved once again to LSU and the State Meet to defend their 1972 title of State Champ. Although the Bears finished second, they left behind a string of memorable victories and upheld the tradition of fine long distance runners at CHS.

Nelson, Rabalais Lead Tankers, 9th in State

Led by State Finalists, Mike Nelson and Scott Rabalais, the CHS Swim team finished with a 6-2 season and a ninth place in state.

Coached by Paul Hebert, former CHS swimmer, the team placed third in the city.

Leading scorer for the team in the State Meet was Mike Nelson, who broke the state record in the 100 meter backstroke, and Scott Rabalais, who reached the finals in the 500 and 200 meter freestyles.

3rd Regional, 9th State for Golfers

With new interest generated in golf during the past two years more students at CHS have participated in the Golf program.

This year's team consisted of Tico Hoffman, Ray Regard, John Selser, John Henchy, Jim Mosely, Steve Kovacevich and Thomas Brignac.

Under the direction of Mr. Didier, the team captured third in regional and ninth in state competitions.

Outstanding players were Ray Regard and Tico Hoffman, who placed first in state out of a field of more than 150 golfers.

Spirit Council Offers Hats, Shirts and Buses

The Spirit Council, although in existence only for two years, provided the school with many services and projects directed to promote spirit. In its spirit campaign, the hard working members, led by Kenny Canezaro and Mary Hoffmann, sold hats for the football district playoffs. The club also sponsored the selling of CHS car license plates and CHS sweat-shirts. Especially appreciated by the student body were the buses to out-of-town football games and the pep rallies held at school.

Although the Spirit Council sought to keep membership at a maximum, student participation did dwindle and the club was forced to fold. Because of the outstanding work done by the members of the council, it was made an integral part of the Student Council. It is now still functioning as a committee of the Student Council.

Band Participates in Mardi Gras Festival

The 1973-74 school year was a very active year for the Catholic High Band. The twenty-nine members under the leadership of Mr. Dennis Vellier attended many functions and activities.

The band journeyed to Hammond to perform in the District Festival as well as to New Orleans for Mardi Gras. Members of the band also participated in All-District and All-State tryouts. The band also participated in the "Music for America" tour of the local elementary schools.

This year's band officers were: President: Pat Tullier, Vice-President: Jeff Kirsch, Secretary: Randy Patin, Treasurer: Jim Kleinpeter, and Quarter Master: Roy Beatty.

"Bear Facts" Breaks; Beta Keeps Truckin'

As usual, the main project of the Beta Club was the co-sponsoring of the honors convocation along with the NHS and the Key Club. The club sold popcorn at lunch, recess, and other school functions in order to raise the money to do so. They also supplied the Monday night Bingo games held by the C Club with fresh, hot popcorn.

This year's BEAR FACTS staff was headed by a new moderator, Mr. Mitchell Billings. The staff's output slowed considerably because of limited workers. However, due to an extra effort by Chris McClindon, David Poirier, and Mark Miller, the publication survived.

Boosters Bruinettes Arouse More Spirit

Together with the Bruinettes, the CHS Boosters continued their efforts to promote spirit at school. With new choreography and new cheers, the Booster and Bruinette squads helped the cheerleaders immensely.

The talented Bruinettes continued to perform for halftime entertainment during football games and this year the members also performed at home basketball games.

Letters were presented to outstanding workers in each group.

Bruin Staff Again Faces Many Changes

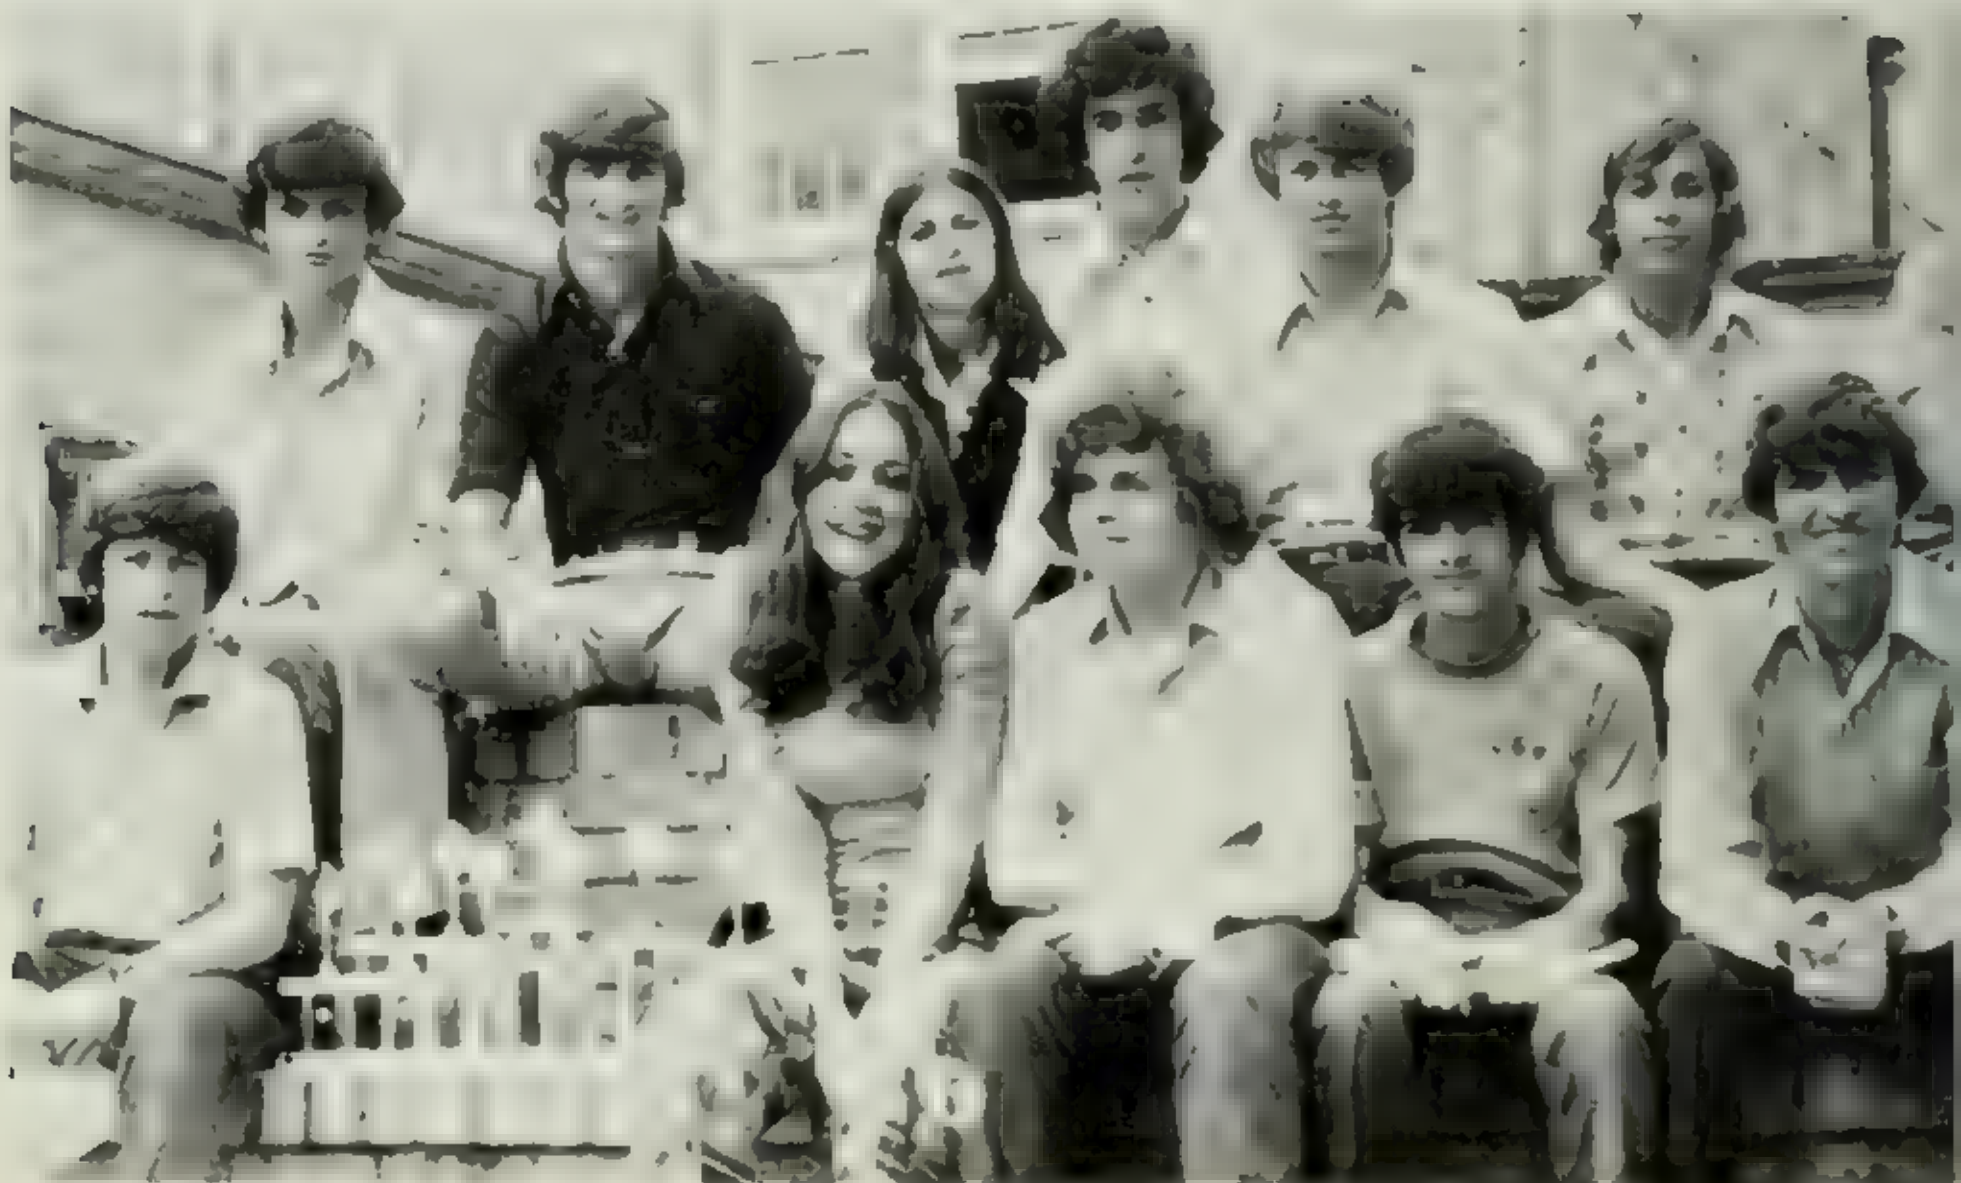

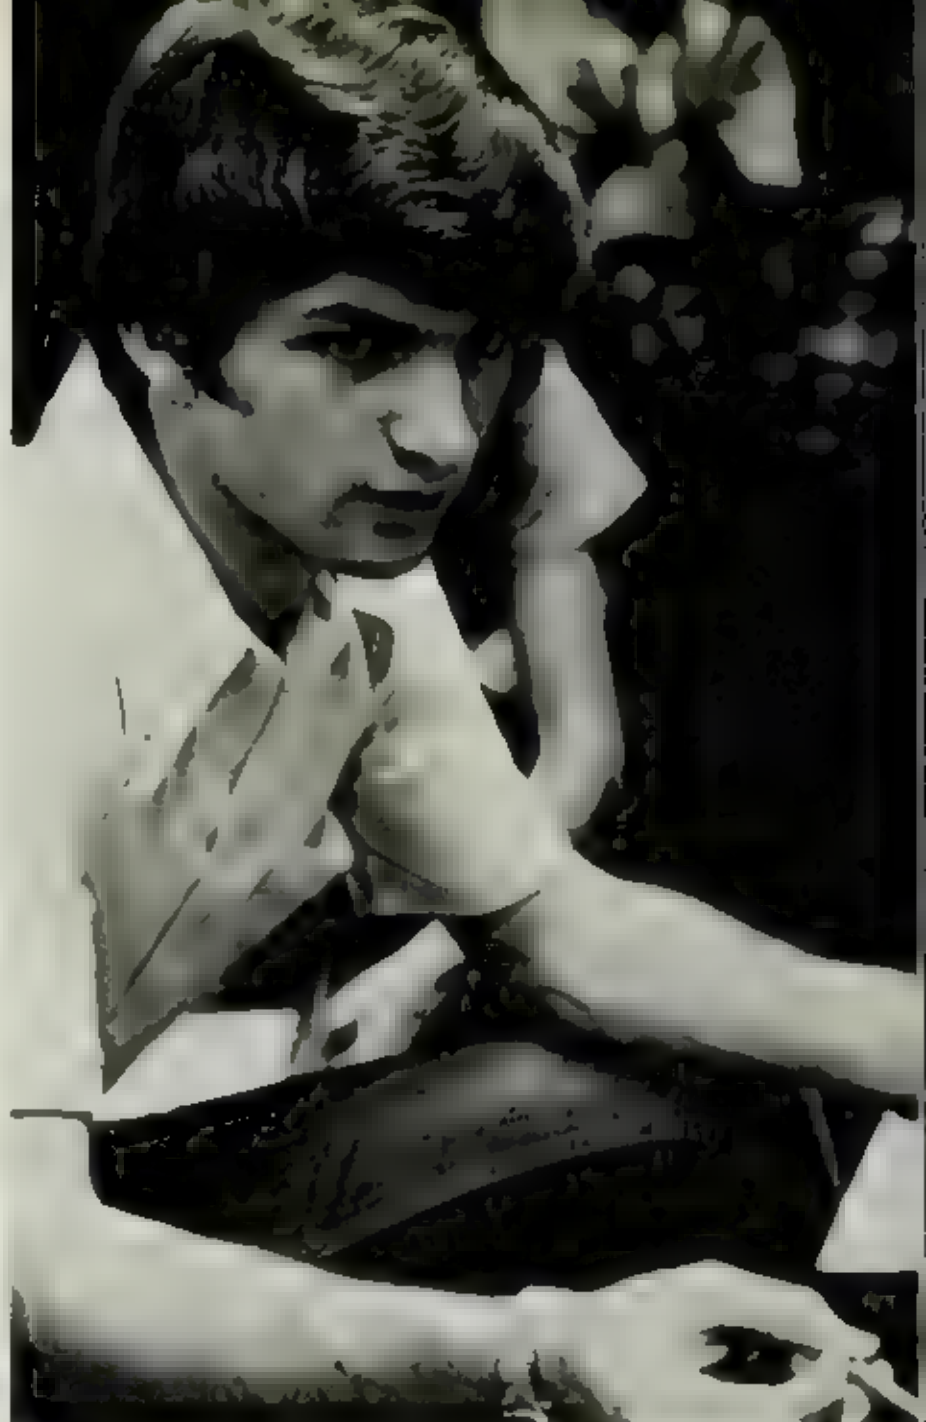

For the second time in three years, a new advisor was appointed to head the BRUIN staff. Mr. Steve Huber, a new addition to the CHS faculty, was given the post. However, advisors were not the only change for the staff.

The 1974 staff was one of the smallest in a long while with only twelve members. There were also drastic changes in the book's specifications. This year's annual included full four-color processed pictures, enlarged sections, and thirty-two more pages than in 1973. New graphic techniques were also applied in designing the cover, endsheets and division pages.

At the annual Taylor Publishing Company workshop, held on the Northeast Louisiana University campus in Monroe, staff members captured three first place awards, three second place awards, two third place awards and an A + rating for a superior planned year-book.

Spirit Brought by Cheerleaders

The CHS cheerleaders brought spirit to the school through pep rallies, projects and hard work.

In collaboration with the boosters, the cheerleaders spirited the players and spectators. They also painted signs and created spirit stickers.

The 1973-1974 cheerleaders consisted of Richard Selser, Leslie Hidalgo, Nannette Kadair, Tommy Clarke, Sugar Jenkins, Alice Giambrone, Tommy Turner, Minou Brannon, Dennis Delaune and Chris Reitz.

NHS Co-Sponsors Honors Ceremonies

Although plagued by mishaps and breakdowns in communication, the NHS succeeded in completing the school year performing most of its traditional activities.

Directed by a new moderator, Bro. John Battalio, and a new president, Ric Kearny, the NHS again co-sponsored the honors ceremonies. Because of the rising cost of food and catering help, the banquet was replaced by an honors convocation.

The ice cream sales were, unfortunately, discontinued by the club because of a lack of control over the revenues. Because of the lack of money-making projects, the club was not able to publish its BOLD PRINT literary magazine.

Making its formal introduction in October of this year was the Mu Alpha Theta Society. An honorary mathematical organization, the club, under the direction of Mr. John Hornsby, sponsored an Equations Team. The team participated in a city-wide league, finishing first in city competition.

Officers of the organization were Brad Kilshaw, president; Pat Heroman, vice-president; and Danny Frey, secretary-treasurer.

C Club Initiates Bingo Games

In order to help pay athletic expenses incurred during the year, the Catholic High School C Club initiated weekly Bingo games. The games, held every Monday night and open to the public, are well attended and have been the source of funds for such

purchases as new football and basketball uniforms.

The C Club, a group of former CHS lettermen, are headed by Mr. Malcolm Landry, Mr. Randy Ellis, Mr. Charles Albritton, and Mr. Vince LoBianco.

Key Club Takes First and Third

The CHS Key Club continued its custom of service to the school and community through its hard work.

Although Mr. Kennedy left as moderator of the Club, Bro. Louis Couvillion and Mr. Joe Scimeca did moderate the Key Clubbers in traditional fashion.

This year, at the District convention in Memphis, Tennessee, the members took third place overall position on the Gold division and captured first place for an outstanding scrapbook.

The Key Club once again proved to be an invaluable aid to the school and community.

Men's Club Helps School as Always

The CHS Men's Club continued its policy to supplement the school both with money and labor. The Men's club handled many activities during the year to achieve these goals.

In September, the Men's Club had its annual Bar-B-Que to which over 2000 people attended. Of these were past graduates and friends of CHS. Also in September the club helped prepare for the Mother's Club fair.

This year, after months of payments, the Grizzly bus was paid up by the Men's Club. In December, the fathers of CHS students, co-sponsored a Christmas party with the Mother's Club. The club, led by Mr. Lee Whatley and Mr. Frank Morvant, built a theatre type arrangement in the library for audio visual activities.

The officers of the Men's Club are: Mr. Joe Starring, President, Mr. Stanley Heine Jr., Vice-President, Mr. Roger Davidson, Secretary, and Mr. Ed Labat, Treasurer.

42nd Year Celebrated By CHS Mothers Club

In March of this school year the Mothers Club celebrated its forty-second year of service to CHS. As with all past Mothers Clubs the 1973-74 organization, under the direction of president Lolita Tilley, remained hard at work throughout the school year.

To begin the school year the club sponsored a potluck supper for all new members. Then, in October the club amassed an amazing \$13,000 for the school at the annual Mothers Club Fall Festival. Then in December the club sponsored a Wedge Hyes snack bar and, along with the CHS Men's Club, threw a Christmas party in the student union.

For the tenth year the Krewe of Ursus Ball was held by the Mothers Club. Then, to culminate a year of hard and dedicated work, the club held a potluck dinner to honor those members of the club whose sons were seniors and graduating.

Student Council Active in Several Projects

Initiating a club policy by following last year's example, the CHS Student Council again held summer bi-monthly meetings, allowing members of the Council to outline the business of the coming year.

The Council sponsored several new money-making activities, such as a student-faculty donkey basketball game, in an attempt to achieve a singular goal - the resurfacing of the school parking lot.

Although the Student Council had surfaced the lot during the summer of 1972, the parking facility quickly returned to its previously demolished state. The lot, through many hours of work, was patched and expanded to provide parking spaces for the growing number of cars driven by students.

Because of the greater number of activities, student interest in the council greatly increased over previous years. For Student Council elections, four complete tickets were offered to the students for their selection, with an independent candidate.

Bro. Brendan Accepts Position as Principal

With Bro. Donnan resigning his post as principal, which he held for ten years, Bro. Mark, Provincial of the New Orleans Province, announced in May that Bro. Brendan Butler, guidance counselor at CHS for the past two years, would assume the position of principal August 1, 1974.

Bro. Brendan, while at CHS, has been the religious superior of the twelve Brothers on Hearthstone Drive. Before coming to CHS, he was guidance counselor at Bro. Martin High School of New Orleans.

Originally from New Orleans, Bro. Brendan joined the Brothers of the Sacred Heart in 1952 at Daphne, Alabama, and took his first vows in 1958. This came after graduating from Springhill College in Mobile, followed by a year of teaching at St. Stanislaus and five years at Cor Jesu in New Orleans. Many other years of study preceded his vows to the Brotherhood.

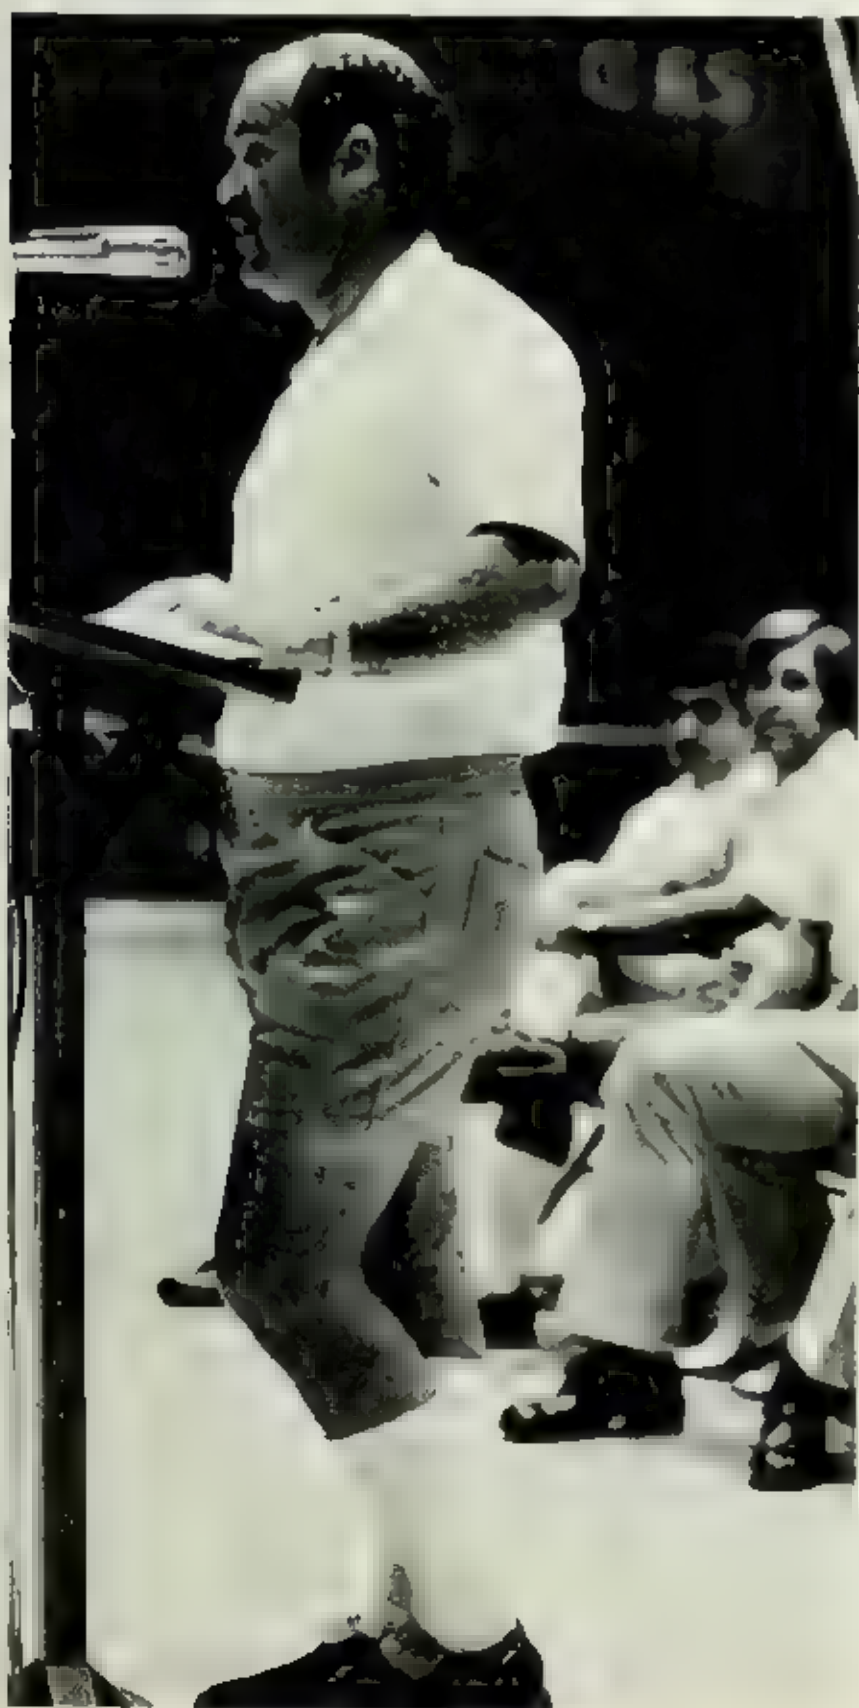

With the position of guidance counselor left open, head track and cross-country coach Pete Boudreaux was looked upon to fill the opening. Coach Boudreaux, also head of the P.E. Dept., was cited for his contact with and understanding of students at CHS.

CHS Acquires Ten New Teachers for 1973-74

In an expansion program to enlarge the faculty of CHS, the school acquired ten new teachers for the 1973-74 school year. The expansion came as a result of the growing enrollment of students over the past two years.

In the English Dept. Mr. Mitchell Billings, Miss Sybil Dunbar, and Miss Jan Rhorer were added to the staff. Mr. Louis Clouarte and Miss Marcia Fivizanni were acquired for their skills in Math, Bro. Louis and Mr. Steve Huber for Theology, and Bro. John for Foreign Languages. Mr. Chuck Hill came to CHS as a history teacher and coach, and Bro. Geoffrey was installed as a Guidance Counselor.

Confusion Reigns Over 8th Grade

Thirty-three newly arrived eighth graders found high school life quite different from that of elementary school life. These newcomers found that the social activities of the school provide pleasurable times.

Although tardy slips were given daily and locker combinations forgotten, the confused, frantic eighth graders did manage to successfully complete the year.

Freshman Dance to Treebeard

At the Get acquainted Dance, freshmen first showed involvement in social activities at CHS. The dance, sponsored by the Student Council, lasted two hours after the Freshman trials at the conclusion of a week of oppression by the seniors. At the first dance of the year, the freshmen had a chance to meet other ninth graders from SJA. Held at the CHS Gym, the dance featured the rock sounds of TREEBEARD.

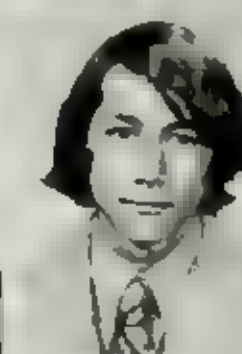

Other dances which attracted large numbers of freshmen were the Homecoming Dance and the Key Club Ball. The crowd celebrated homecoming to the music of EARTH and Miss CHS nominees were presented at the Key Club Dance where the music was provided by WAYNE CHANEY AND THE MUSCLE SHOALS.

Freshman Oppression Week Is Successful

The coming of the Frosh class started the reorganization and revitalization of Freshman Week. Contrary to previous years of rebellion and confusion, Freshman Week went on without incident.

Beanies, with the school colors, were purchased by the Student Council in order that the freshman could be more easily recognized. After a week of shining shoes and carrying books, a mud war with the senior class allowed the freshmen to get partial revenge.

"Ying-Yang-Gang" Highlights Victories

With a brick-wall defense nicknamed the "Ying-Yang-Gang," the CHS JV Bruins corralled a 7-0-4 undefeated season and captured the District Champion crown.

Under the leadership of Coach Bobo Kleinpeter, the Bruins, although falling to no one, battled to four deadlocks in the course of the season. Aided by a powerful wishbone attack on offense, the "Ying-Yang-Gang" consistently halted opponents' scoring attempts while collecting numerous points on the scoreboard for the Bears.

Sophs Active During 1974

The adjustment period was over for most of the sophomores this year before September rolled around. Sophomores began to show much activity in academics as was evidenced by the number of class members enrolled in the Beta Club and the National Honor Society. Members of this class also made themselves known in the circles of Key Club and the BRUIN.

Sophomores also comprised a large percentage of this year's athletic program. The talent displayed in the various sports raised Bear hopes for more championship teams in coming years.

And of course, as always, the sophs showed an outstanding amount of spirit at all CHS functions from football season all the way to the end of the school year.

Juniors Excel in Athletics

The 1974 Junior class of CHS excelled in all sports in a fashion not seen at CHS in recent years. No fewer than 15 starters on the 1974 District Championship football team were juniors. In addition, 4 of the 7 all-district selections were juniors including, Gerald Barber, Mike Monk, John "House" Jones, and Tim Nesbit.

The Bear's basketball team followed the same pattern with at least three starters in every game from the class. Standouts included Scott Hullinger, David Dantín, Ric Peterson, and Brent Boyd.

The Juniors also supplied the wrestling team with two city wrestling champions in Randy Johnson (98 lb.) and Mike Nissing (112 lb.). Nissing was named the Most Valuable High School Wrestler in the city and won the state title for the 112 lb. class.

Juniors Participate in Personalized Study

In response to the many new challenges issued them in the classroom, the juniors proved their academic involvement and willingness to participate in scholastic activities. This was demonstrated by an increase in the number of class members on the honor roll.

There were many English projects to test the junior's inventiveness and imagination. Movies, posters, and individual writing assignments served to arouse new interest in English courses.

More interesting developments occurred in Religion classes, where research done for discussions helped the students form opinions about many controversial issues. Interviews, visits, and slide shows challenged them and evoked greater participation in classes.

Thomas Losavio Named Top Grad.

Thomas Losavio was named the Outstanding Graduate of 1974 by Bro. Donnan Berry at the CHS Honors Convocation held May 28 at the Catholic Life Center.

Tommy was a second honor graduate and he copied three Golden Bears for Best in Student Council, Outstanding Graduate, and the American Legion Award. This award was especially significant in that it was voted on by the members of the senior class exclusively.

He has also been the recipient of the Best Defensive Player in basketball in both the Wedge Kyes tournament and at CHS for the past two years.

Tommy served as president of the Student Council and was a member of the Key Club, Beta Club, and National Honor Society.

ABOVE: Tommy converses with Scott Thompson prior to the presentation of Miss CHS and her court at the Key Club Ball.

RIGHT: Tommy jumps over a defender at one of CHS' basketball contests.

GREG BERCHER, recipient of the Coach's award in track, earned his distinction as valedictorian for 1974 with a perfect 4.0 cumulative GPA. He also received 2 other Golden Bears for Math and Social Studies.

GARY CLARK, a quiet but hard worker, could usually be seen around CHS punching out totals on his pocket calculator. He was awarded the Golden Bear for Best in Science.

BUDDY HOFFMANN was usually found after school during most of the year as he practiced for football, wrestling, and track. He was both the Outstanding Offensive Back and the MVP in football and won All-State and All-American honors.

KEN HUTCHINSON was named Salutatorian for 1974 with a 3.90 cumulative GPA. He also received the perfect attendance award for his senior year.

RIC KEARNY, named MVP in baseball, was quite active during his four years at CHS. He was President of the NHS and was a member of Key Club and Beta.

TOMMY LOSAVIO was named the Outstanding Graduate of 1974. He also received awards for the Best in Student Council and The American Legion Award.

BOB TAYLOR, one of the best known and friendliest seniors at CHS, was also a very hard worker. He was a member of the Key Club, NHS and Beta. He received the Golden Bear for Best in English.

LOUIS TRIDICO, who served as the Secretary of the Key Club, was known for his dependability. He received the award for Best in Religion.

EMMETT VOLLENWEIDER, the senior with the longest name, was this year's quarterback for the District Championship football team. Emmett was also a member of the Beta and Key Clubs.

DAVID WHATLEY, who could most often be found in the yearbook room, received the Golden Bear for the Best in BRUIN and the Best in P.E. David was a first honors graduate and was President of his homeroom, and a member of the Key Club, NHS, and Beta Clubs.

Four Seniors Earn Merit Commendation

In February of 1973, the National Merit Scholarship Corporation announced that four CHS students had earned the rank of finalist in the merit program and the right to continue in the competition for the 3000 National Merit Scholarships.

These students were James Alexander, Ric Korn, Greg Bercher, and Richard Selser. Fifteen thousand finalists from across America were chosen on the basis of their qualifying test score. Only one half of one percent of all seniors are finalists, while at CHS there were four among 87 eligible students.

14 Achieve First Honor-Status

Of eighty-seven graduating seniors for 1974, fourteen of them managed to achieve first honor status after four years of hard work. Those students who received a 3.5+ cumulative grade point average included Paul Babin, John Barber, Greg Bercher, Gary Clark, Bobby Doyle, Danny Frey, Richard Heine, Ken Hutchinson, Ric Kearny, Richard Selser, Rob Stuart, Bob Taylor, Louis Tridico, and David Whatley.

These students were awarded a special Certificate of Merit for their academic achievement. They also were gold stoles during the graduation ceremony to identify them as a first honor graduate.

Senior Prom Features the Sounds of MARIAH

On May 11, the class of '74 celebrated the end of high school by doing their thing at the senior prom, held at the Catholic Life Center. With the help of MARIAH, who supplied an ample supply of loud but good vibrations, the seniors unwound after three days of extremely final finals.

The senior class amidst the sounds of everything from "Sly" to "Yes" came together for a night to remember.

It looked somewhat like a show of formal fashions as the arrival of each senior included a new outfit not yet exhibited.

By the time the sun rose the next morning, the seniors could definitely say it was all over.

LEFT: Tricia Tucker and Pat Heroman enjoy a light moment during the prom activities.

Fr. Ducote Delivers Graduation Address

Mass and commencement exercises for the 1974 Catholic High School Graduating class, were held May 24 at St. Joseph's Cathedral.

Father Daryl Ducote, Bro. Geoffrey and Bro. Carl concelebrated the Mass and Fr. Ducote delivered the homily with a caution to seniors of what the future will bring.

As Brother Donnan announced the names and the credits, Monsignor Stanley Ott awarded the diplomas in the midst of parents and friends. The exercise was completed with an address by Monsignor Ott to the senior class.

A fine turnout paid tribute to "Coach of the Year" Barrett Murphy and his Bruins who captured their first district title since 1937.

Buddy Hoffmann, Johnny Jones and other Grizzlies received awards along with a couple of Grizzly Greats, Eddie Harelson and Milton L. (Cactus) Martin.

Hoffmann and Jones each received two honors. Buddy, without hesitation, was selected the Most Valuable Player and Outstanding Offensive Back. John received Outstanding Offensive Lineman and was also awarded the Most Spirited and Scholastic.

Named to the Grizzly Greats, a select organization for those who furthered the cause of CHS athletics were former Coach-boxer-footballer J. Edward Harelson and former gridder-boxer Milton L. Martin.

From left front row are Buddy Hoffmann (MVP and Outstanding Offensive Back), Mike Monk (Outstanding Def. Back), Emmett Vollenweider (Co-Captain), and Kenny Samaha (Outstanding Def. Lineman). In back row are Gerald Barber (Golden Grizzly), Bobby Doyle (Golden Grizzly), Tony Gagliano (Co-Captain), and John Jones (Most Spirited and Most Scholastic).

Losavio Outstanding at Honors Gathering

Thomas Losavio earned three Golden Bears, including the award for the Outstanding Graduate of 1974 at this year's Honors Convocation.

His other awards included Bears for the Best in Student Council and the American Legion Award.

Greg Bercher, Valedictorian for the class with a perfect 4.00 grade point average, received trophies for the Best in Social Studies and in Math.

Other multiple award winners were David Whatley and Richard Heine. Whatley was named the Best in BRUIN and P.E. while Heine received recognition as Best in Beta and Business Education.

Ken Hutchinson was named Salutatorian and received a Bear for his 3.90 GPA.

CHS Gets New Principal; Brother Donnan Leaving

These were the headlines which met the eyes of readers of the May 3 issue of the Commentator.

Brother Donnan's hard work during his ten years as principal at Catholic High has produced some outstanding results. One of the major accomplishments during his administration was the addition of a new air-conditioned building comprising a modern library, a student union, and six classrooms enabling CHS to increase its enrollment.

Outstanding leadership in school and community has characterized Bro. Donnan's stay at Catholic High.

Beginning in September, Bro. Donnan will participate in a renewal program of religious studies at the Sangre de Cristo Center in Santa Fe, New Mexico.

Brother Donnan commented on his ten years at CHS as being the fullest, most enjoyable and most rewarding any man could ask for in this great adventure of life.

Dear Reader,

This book is my idea of what a yearbook is or should be. Of course there are those of you who will disagree with me but it was I who had to decide upon what would and would not be published. I have tried as best I can to picture Catholic High and the events that took place here. I believe that I accomplished what I set out to do and this book is a true representation of CHS. It is my hope that you will all agree with me.

I would like to thank Mr. Steve Huber, the Advisor for this year, Mr. Fred Elsing, Jr., Taylor Publishing Company representative, and Brother Donnan Berry, Principal. But most of all I would like to thank the students of Catholic High because it was they who created the scenes presented in this book.

David Wharley, Editor

CHS Mother's Club Mini-Course Day Set To Host Fall Festival At CHS On March 25

The Catholic High School Mother's Club Fall Festival will be held Sunday, Oct. 14, from 11 a.m. to 6 p.m. on the Catholic High School grounds. Along with games, homemade articles, cakes, candies, bingo, hot dogs, a turkey dinner, and \$1,000 and a side of beef to be given away, the fair will feature live entertainment by "Monsoon" and "1500 Feet." The two rock bands will perform from 3 to 6 in the gym.
